Referred by or found us where i.e.: dog show, internet, other breeder?

Why do you or your family want a dog?

Why did you choose this particular breed?

Have you owned a dog before? Do you currently have pets, if so how many and what are they?

Do you have children? If so, how old are they? How would they be instructed in the care of a new puppy?

How often is someone at home to care for the puppy? Will you have time to play and walk your dog?

Are you ready for the time and patience it takes to train a puppy?

All of our puppies will be AKC registered. After the adoption and proof of sterilization of non-show/breeding puppies, you will receive your AKC registration for your own puppy.

If for any reason, you are not able to care for your puppy, we ask that you return the puppy to me for re-homing.

Once a litter is born, we will require a non-refundable, deposit of \$300 to hold your puppy.

*Thank you for your interest in our breeding program.
